## Position Summary

The role of the Occupational Therapist is to provide specialist support services to people with a disability, their families, and carers. These services are delivered within a person-centred, strengths-based approach; identifying the individual's strengths and needs and designing a program of support as per their individual needs and goals.

The purpose of the engagement with clients is to ensure access to multiple supports and services identified by a person at key life stages, to achieve optimal wellbeing and to support social participation.

The Occupational Therapist will ensure the delivery of high-quality services in accordance with Cameron Wellness Centre's Strategic Objectives, Policies and Procedures, Work, Health & Safety Standards and Government Standards.

## Key Responsibilities

- Manage a caseload of people with a disability and their families or carers, who present with communication and/or eating/drinking needs in accordance with best practice guidelines to ensure positive outcomes for clients under their NDIS goals.
- Assess client needs and develop, implement, monitor, and review intervention programs for each client to ensure the client's assessed needs are being met.
- Support the philosophy of person-centred practice and engage in collaborative, holistic goal setting that reflects the individual's needs and priorities.

- Ensure service delivery models are based on current evidence-based practice and are delivered within resources.
- Demonstrate proficient assessment and measurement skills, including collection of client information and selection of appropriate assessment tools.
- Actively promote family relationships and build disability networks to ensure optimum participation.
- Participate in regular supervision and performance appraisal sessions with the Team Leader.
- Attend and participate in staff meetings, case reviews, and in-service training.
- Take responsibility for identifying opportunities and strategies for professional development.
- Manage client feedback and take corrective action to ensure services remain responsive to client need.
- Represent the team in relevant internal & external forums as required.
